Adventures in Friendship

By DAVID GRAYSON

Little adventures in contented country life—so many vignettes of things rustic, with the glancing lights and shadows of sunshine and cloud and of tears and laughter these are the pictures Mr. Grayson sketches for us in his new book with a lively sense of color and quiet charm. His wordvignettes shade into a ground of cheery philosophizing and make a volume of pleasant inspiration for unrestful city folk.

A Romance of "Pimpernel" Days

"The action is rapid enough to satisfy the most ardent Dumas devotee. . . . We recommend the novel to those who made the acquaintance of 'The Scarlet Pimpernel' and 'I Will Repay.' It is a successful return to the field which we feared that Baroness

GEO. H. DORAN COMPANY FORK

Orczy had abandoned."-Boston Evening Transcript.

By His Grandson

Dr. Allan McLane Hamilton

Dr. Hamilton places before the public much new material-some of it in the form of letters to and from Hamilton never before published. Emphasizing Hamilton's private and family life, he gives a peculiarly accurate and intimate insight into the social and political life of this country and especially New York.

"He confines himself, rather, to the characterization of his grandfather through a series of chapters on those matters which bring him closer to us as a man. This is an 'intimate' portrait, and as such it has engaging simplicity, sincerity and vividness.

"No one who cares for American history will fail to read it." -New York Tribune.

The Price of the Prairie By Margaret Hill McCarter MRS. McCARTER epic tale of the beginnings of Kansas. It will

not only be read eagerly for its thrilling action and glowing color, but will be re-read, and will endure for the truth and depth of its insight into the inner life of the Western pioneer, and for its masterly portrayal of the influence of the prairie. There is a love story of simple and charming sincerity, and the reader's pulse will quicken at the splendidly heroic climaxes.
